

WKC Health Clinic Appointment Time Information & CHECKLIST

Thank you for registering for the Wilmington Kennel Club, Inc.'s annual Health Clinic being held on Saturday, February 24, 2024.

Directions: Use Dayett Mill Rd, Newark De in any GPS system, or Wilmington Kennel Club in WAZE.

PLEASE BE AWARE of the traffic pattern at the Rte 896 exit off I95 at the Exit. There is ongoing construction which has made traffic heavy and the patterns change regularly. You can go to www.DeIDot.Gov – Travel Advisories – Planned Closures & Restrictions – New Castle County to find the most up to date information. Or use an alternate exit off of I-95.

Attached you will find a schedule showing your appointment time(s) for the dog(s) you registered. The file is in alphabetical order, so search for your last name and you will find your dog's appointment time(s). If you see **your name highlighted**, you owe money. There is a \$5 handling fee for each dog having bloodwork done. Some people missed paying this during registration. You can pay by cash (exact amount only) or check made out to WKC.

We will observe current state COVID protocols. Please use judgement about attending if you or your dogs are sick.

PARKING: Attendants will direct you and there will be additional signs along the way.

Please pay attention to the "No Parking" signs on the property.

ENTER: using the door at the level entry side of the building.

"CHECK IN" - where you will then be directed to your first stop.

You will need to be at the building at least 15 minutes prior to your scheduled appointment time so your dog(s) can receive their eye drops and any necessary paperwork can be completed.

More importantly your appointment times are approximate, and things could move a bit quicker, so being here early will allow us to keep the process running smoothly.

CAER Eye Exam: Dr. Bowersox will be using the new OFA online process to complete the Eye exam results. If you have a ******* next to your appointment time you still need to complete the OFA sign on process.

>>>>> Remember to bring the OFA form with you to the exam. <<<<<<<

OFA Thyroid bloodwork or Cardiac Auscultation (Basic):

>>>>> Please make sure you **bring** your completed OFA Thyroid & Cardiac form from the OFA website.

For **each** dog having an OFA Thyroid done, you will need to bring a **separate** check for **(\$10.00)**, payable to **OFA**.

All **bloodwork results** will be emailed.

Forms can be found on the ofa website, select applications from the ribbon and then select the Thyroid form, download, print the form and bring the completed form(s) with you.

OFA Cardiac Echocardiogram (Advanced):

Dr. King will have the OFA forms to be filled out.

You will get a copy of the completed form.

Then you use the OFA website to complete the application and attach the form.

Use code **YPN7** to get the clinic discount of \$10.00.

Rabies Vaccine: You must provide proof of current rabies vaccine in order to receive the 3 year vax.

MICROCHIP If any dogs need **permanent identification** for their OFA tests, we will have MICROCHIPPING available for purchase at \$30 each.

Please bring a check payable to WKC in order to pay.

Also, if you know you need one, please let us know in advance.

If you need to contact us the day of the clinic please call: 302-685-8289.

Thank you and see you at the clinic!

Please see the attached to find your appointment time.
